

Information Form

The Celebration Book program is a way to celebrate an event in your child's life with a permanent book donation to the Aina Haina School Library. The gift of books will positively affect student achievement and can be enjoyed year after year.

1. Purchase the book you wish to donate or write a donation check made out to Aina Haina School.
2. Bring the book/check to the library with this completed form. A special bookplate will be made and your book will become part of our library collection.
